

To Sing Frogs Blubs

It will make you laugh, it will make you cry. It's just that kind of book. Dana ★★★★★

Simmons writes with such honesty and poignancy that no reader will escape unchanged. Julie L. Gumm ★★★★★

John's writing comes alive through his cynical nature, realist perspective and highly analytical mind. Carrie Redman ★★★★★

I wish there were a 10 star rating! This is a gut wrenching story. Jaydee Hale ★★★★★

A page turner that I had to keep reading even when tears blurred the words. Marla "Seeker" ★★★★★

Stark honesty weaves throughout the pages as he narrates with cynicism and humor. Gina Williams ★★★★★

Will lift your soul even as you feel your heart being ripped from your chest and tears flowing freely. Review by Literary Word

I especially appreciated the frank honesty with which the author examines himself. Beverly Ramirez ★★★★★

A spiritual lesson for those, like Simmons, who tend to doubt and question. Deseret News Review

I would put it down and think about the situations exposed well after closing the book. Courtney ★★★★★

The reader is treated to a no holds barred view. This is no fairy-tale that promises a happy ending. Review by Literary Word

Every once in a while I read a book and it's so good that I am truly sad when it ends. Such was the case with To Sing Frogs. Linda G. ★★★★★

Is a dangerous, uplifting, wrenching and wondrous tale. Deseret News Review

I was drawn in from the very first page. Juner374 ★★★★★

Once started, it's impossible to walk away and just go on with daily life. Deseret News Review

I was a little mystified by the title... but now understand. heyjude ★★★★★
